

2018 LORENZI GOLF DAY FOR CAAEL

July 14th 10 AM (Shotgun start) Seneca's Oak Ridge

Please join us for our 14th Annual Lorenzi Golf Day for CAAEL. Come with a team or by yourself, as each year promises to be lots of fun with great people and good laughs.

Your tax deductible donation will support a 501(C)(3) nonprofit organization that teachers and administrators have been using for 40 years to help at-risk/special education students succeed. EACH YEAR, The Chicago Area Alternative Education League offers 876 events for 5,000 students from 30 Illinois counties. CAAEL programs are integrated directly into the curriculum and motivate these kids to come to school, complete their assignments, and behave appropriately so that they can remain eligible to attend the weekly CAAEL events that take place during the school day. CAAEL students may

be aggressive or withdrawn, emotionally disturbed or learning disabled, behaviorally challenging or socially isolated, gang involved or drug dependent, depressed or truant. These students, staffed out of their mainstream schools and placed into our partner alternative schools, tend not to have access to the extra-curricular activities that their non at-risk peers benefit from. CAAEL has been filling this critical gap for decades.

CAAEL has recently been featured on WGN TV, WGN Radio, Comcast SportsNet, the cover of the Chicago Tribune and Daily Herald, etc..... and we'd like to keep this momentum going as we look for corporate sponsorships and grants. With that being said, please forward this on to any friends, family or associates who might be interested in golfing or partnering with CAAEL in some capacity in the future. Please contact sarahlorenzi@caael.org for more information on how you or your company can support CAAEL. And thank you in advance for helping us spread the word about CAAEL so that we can serve even more schools!

Warm Regards,
Gerry
